

May the road rise to meet you, May the wind be always at your back
May the sun shine upon you, May the God hold you in the palm of His hand
May the fields be ever at your feet, May the water be sweet
May the wind be always at your back, May the water be sweet
May the fields be ever at your feet, May the water be sweet
May the wind be always at your back, May the water be sweet
May the fields be ever at your feet, May the water be sweet
